Finals events will be swum in the following order: A-Final, B-Final, C-Final, D-Final (18 & Under).

Distance: 800-Freestyle - Positive check-in by the scratch deadline for Thursday's 800 free is required to compete. Heats will be swum slowest to fastest, alternating heats of women and men, with the fastest eight women in the second last heat and the fastest eight men in the last heat. The event will be scheduled to start so that the last heat of the men's event will conclude no later than 60 minutes prior to the start of Thursday's Timed Finals.

1500-Freestyle - Positive check-in by the scratch deadline for Sunday's 1500 free is required to compete. Heats will be swum slowest to fastest, alternating heats of women and men, with the fastest heat of each race swimming in the evening session. Relays: Positive check-in is not required. The 200 free and 200 medley relays will swim in the preliminary sessions. If preliminary heats are swum in flights, the relays will be swum between the A and the B flight. All other relays will swim at the end of the finals session.

Scratches: Events will follow the scratch rules as defined in section 207.11.6 of the 2023 USA Swimming Rulebook with the following modifications:

Saturday events	6:30 PM Friday
Sunday events	6:30 PM Saturday

2. A physical scratch box will NOT be maintained. Please email or text your scratches from timed final events or preliminaries to the administrative referee.

Scratches from finals may be done by email or text to the administrative referee or in person.

3. The re-entry fee for each preliminary event in which a swimmer fails to compete shall be \$0.
4. Any swimmer qualifying for an 18&U bonus, bonus, consolation or championship final in an individual event who fails to compete in said final shall be barred from their next individual or relay event.
5. Swimmers who fail to compete in either prelims or finals of an event will be required to positive check-in all remaining events in the meet.

Officials: An application for an Official's Qualifying Meet will be made. If granted, not all evaluations may be offered.

Officials wishing to be evaluated in a position must apply in advance through the application to officiate form which will be posted on the Southern Zone Swimming website.

Time Trials: Time trials for individual events may be conducted at the discretion of the meet referee for athletes properly entered in one or more individual event in these championships, provided there is sufficient time between the end of the preliminary session and the start of warm-ups for the final session.

The entry and payment procedures for time trials will be presented at the technical meeting, but will close at 10:00 AM each day. Entry fees for time trials will be the same as the meet entry fees.

Each swimmer is limited to a maximum of two time trials during the course of the meet and time trials will count toward the swimmer's individual event total for each day, but not the meet total.

If conducted, time trials will begin approximately 15 minutes after the conclusion of the preliminary session. The order of events in time trials will be that day's events followed by the remaining events in the meet. The 50's will be the last events swum in time trials each day. The 800 and 1500 freestyle will be offered on only one day to be determined by the meet referee.
