- No penalty for scratching on the blocks in prelims except for individual positive check-in deck seeded events. Swimmers entered and checked in for a deck seeded event must swim that event unless he/she notifies the Admin Ref, before seeding begins, that he/she wishes to scratch that event. Failure to do so will result in the swimmer being barred from his/her next individual event on that day or the next, whichever is first.
- If a swimmer qualifies for finals, they are expected to swim in finals unless they notify admin they are scratching or intending to scratch within 30 minutes of event results being posted or announced/published. If they NS in final they will be barred from swimming their next individual event.
- A swimmer not originally qualified for the championship or consolation final that is seeded into a final due to a scratch of another swimmer will not be penalized for failing to swim in that final.
- Swim-Offs, please be proactive and have you or your swimmer check if they might tied in prelim results. All swim-offs must be resolved with in 30 minutes of the ending of the prelim's session.
- Looking forward to a great meet, please stop by admin if you have any questions.
