Coach's Meeting: **A mandatory coaches and team captains briefing with meet management and the Meet Referee will take place at 10:30am for swimming & 3:30pm for diving.** This meeting is to exchange information that coaches and swimmers/divers will need to know to function according to the rules and regulations of FHSAA and to cover items of information or rulings that are necessary for the administration of the meet. This is not a seeding meeting, and no entries shall be accepted at this time. Contestants may be withdrawn (scratched) from the meet by their coaches at this time by notifying the meet manager. Contestants scratched at this time shall be disqualified from participating in the meet.

Meet Committee: A meet committee shall be appointed in accordance with the provisions of Rule 4, Section 1, Article 2 of the *National Federation Swimming and Diving Rule Book*. The meet committee shall be composed of five coaches/and or athletic directors from five different schools. The committee shall have the authority to act in any situation not specifically covered by the rules of procedure. The meet committee shall serve as the jury of appeals. A jury member must be replaced if his/her school is involved in an appeal. The decisions of the jury of appeals will be final. **The jury of appeals may not set aside any FHSAA or NFHS rule.**

Entry Limits:

Athletes may swim a maximum of four (4) events. No more than two (2) may be individual events. Each school is limited to a maximum of four (4) individual entries per individual event and one (1) relay entry per relay event.

Over Entries: In both the FHSAA *Swimming & Diving Manual* and the NFHS *Swimming & Diving Rules Book* entry limitations are clearly addressed. At the regional level, possible over entries can be caused by swimming in an excessive number of relay events. If a swimmer is in two (2) individual events, then they may only swim/participate in two (2) relays. Athletes may be listed on all three relay cards, but participation is limited to two (2) relays when they are also in two (2) individual events. Every time an athlete actually swims in a different event, it is considered an entry.
